### **Skybox Security Announces \$6M Equity Investment by Susquehanna Growth Equity, LLC**

**San Jose, Calif., Nov. 1, 2011** - Skybox Security, the leader in proactive security management solutions, today announced a \$6 million equity investment led by Susquehanna Growth Equity, LLC (SGE), including participation from existing investors. Skybox Security has demonstrated record growth over the past 18 months, including 60 percent year-over-year growth. This round of funding positions Skybox Security to accelerate that growth by expanding sales territories and teams, developing channel partners and adding resources to support a rapidly growing customer base.

"We are delighted to add SGE at this point in our development, as their investment will allow us to capitalize on the market awareness of proactive cyber-security management solutions and accelerate sales," said Gidi Cohen, CEO at Skybox Security. "We will use these funds to support the growth of Skybox, address new solution use cases and expanded markets for our products, and further develop our sales pipeline. We are also thrilled to announce that Jonathan Klahr of SGE will join Skybox Security as our newest board member. "

"We are focused on investing in growing companies with solid technology offerings and established traction in emerging market spaces," said Jonathan Klahr, a director at SGE. "The combination of record growth and innovative offerings makes Skybox Security the perfect addition to our portfolio."

Skybox Security has a strong customer base in the Global 2000, with established accounts in government and defense, energy and utilities, financial services, retail, and other industries. Today, hundreds of leading organizations across the U.S. and Europe use Skybox Security solutions to protect their networks, including six of the top 10 global banks and five of the 10 largest NATO members.
